LACE PATTERNS

What are Lace patterns?

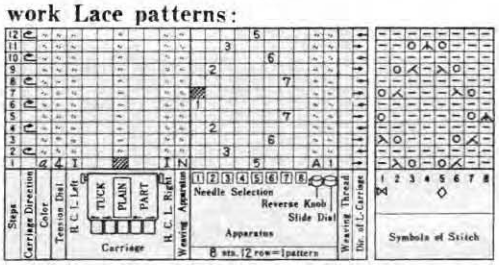

Lacy pattern stitches which are worked by transfering the stitches to the adjacent needles then knitting a row (or 2 rows) of plain knitting. Different kinds of beautiful lacy patterns will be obtained by the holes formed on the garment.

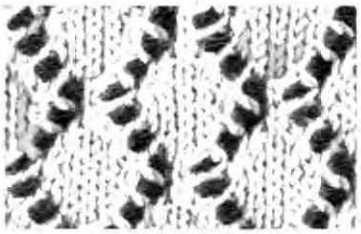

Specialities of Lace patterns:

Lacy open work patterns are specially good for the knit wear in the spring and the summer time.

Lace patterns have until now been worked by manually transfering the stitches from one needle to the other which requires a good deal of time and patience. Since the L-carriage was invented, lace patterns can be worked at an incredible speed, by using the Pattern Center regardless of the kind of materials used.

How to work Lace patterns:

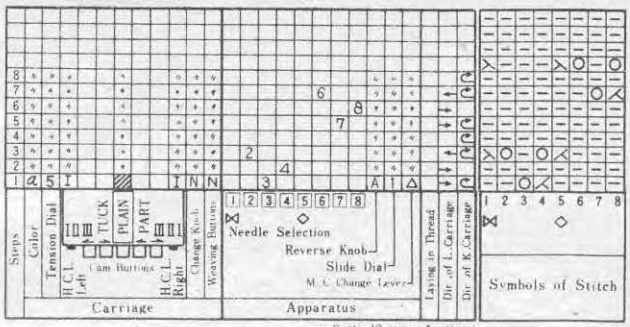

Carriage .....Place at right side.
Yarn in feeder.....Thread the yarn feeder with knitting yarn.
Tension dial.....Set to 4.
Change lever .....Set both, left and right to 1.
Cam buttons ....."PLAIN".
Thread knitting installation.....Set both knobs and levers to N.
Needle selection buttons.....Push 5.
Reverse knob .....Set to A.
Slide dial .....Set to 1.

Order of opeartions:

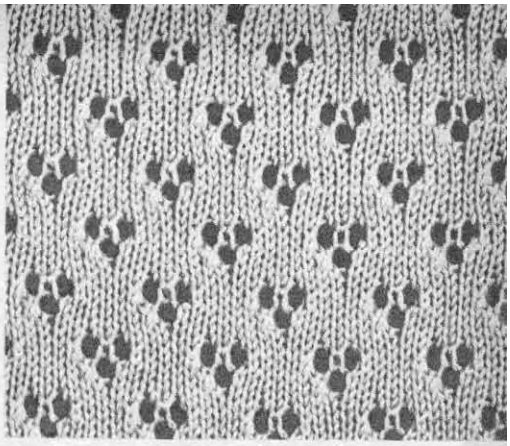

1. Arannge the needles using the set lever, then operate the L-carriage from right to left.
2. Depress 3 of Needle selection buttons (N. B. First release No. 5). Arrange the needles. Operate the L-carriage from right to left. Operate the knitting carriage, twice across.
3. Depress 6 of Needle selection buttons (first releasing 3). Arrange the needles. Operate the L-carriage from left to right.
4. Depress 2 of Needle selection buttons (releasing 6). Arrange the needles. Operate the L-carriage from right to left. Operate the knitting carriage twice across.
5. Depress 7 of Needle selection buttons (releasing 2). Arrange the needles. Operate the L-carriage from left to right.
6. Depress 1 of Needle selection buttons (releasing 7). Arrange the needles. Operate the L-carriage from right to left. Operate the knitting carriage twice across.
7. With 1 of Needle selection buttons already depressed, select the needles. Operate the L-carriage from right to left.
8. Depress 7 of Needle selection buttons (releasing 1). Arrange the needles and Operate the L-carriage from right to left. Operate the knitting carriage twice across.
9. Depress 2 of Needle selection buttons (releasing 7). Arrange the needles. Operate the L-carriage from left to right. Operate the knitting carriage twice across.
10. Depress 6 of Needle selection buttons (releasing 2). Arrange the needles and Operate the L-carriage from right to left. Operate the knitting carriage twice across.
11. Depress 3 of Needle selection buttons (releasing 6) and arrange the needles. Operate the L-carriage from left to right. Operate the knitting carriage twice across.
12. Depress 5 of Needle selection buttons (releasing 3) and arrange the needles. Operate the L-carriage form right to left. Operate the knitting carriage twice across.

Repeat the steps from 1 to 12.
